

'Painted Lady'

An old variety, 'Painted Lady' produces a beautiful display of both red and white flowers, and makes a striking feature in ornamental beds and borders. The flowers are followed by large, medium length pods that have a fine flavor and tender texture.

-  unsuitable for containers
-  late spring to early summer
-  poor resistance
-  not hardy
-  midsummer to mid-fall

'Titan'

This variety is very reliable, giving strong, vigorous growth, a good show of flowers, and a crop of long, tasty pods. Keep the plants well-watered during dry periods, and pick runner beans regularly to encourage more pods to develop.

-  unsuitable for containers
-  late spring to early summer
-  some resistance
-  not hardy
-  midsummer to mid-fall

'Wisley Magic'

Although its bright red flowers are very attractive to birds, 'Wisley Magic' still produces a huge, flavorful crop of 15-in (38-cm) long, straight, smooth pods from the end of summer through into fall. It has won awards for its heavy yields.

-  unsuitable for containers
-  late spring to early summer
-  some resistance
-  not hardy
-  midsummer to mid-fall
