

Prince of Wales Saloon

Year Introduced 1875–76

Gauge Metre

Type Saloon

Built by Agra Workshops, Rajputana Malwa Railway

Number of Wheels 4

This saloon was specially designed for Albert Edward, Prince of Wales at the time, and later for King Edward VII, during his visit to India for the Royal Durbar of 1875–76. It had seats for four armed guards and windows fitted with sunshades. The wooden outer shell was decorated with emblems signifying the British Crown.
