

LOCOMOTIVE EXTERIOR

With its distinctive bullet nose, a crown on top of the chimney, a 4-6-2 wheel arrangement, and a side profile that includes chain-decorated footboards along the length of the boiler, No. 7161 is regarded as one of the most majestic locomotives that has ever run on the Indian Railways. These features have proved popular with railway enthusiasts and tourists.

1. Hand-painted name on plaque at front 2. Brass crown decorating top of chimney 3. Headlight in the centre of a metal star 4. Pilot light lamp, one positioned on either side of engine 5.
