

FOLLOWING THE BUDDHA

This spiritual journey, based on the prominent Buddhist text, *Mahaparinirvana Sutra*, was commissioned in 2007 as Mahaparinirvana Express. It was later renamed the Buddhist Circuit Special Train. The train travels to key Buddhist sacred sites, including Lumbini, where Buddha was born, Bodhgaya, where he gained enlightenment, Sarnath, where he taught, and Kushinagar, where he attained nirvana. In 2018, the train got a new rake with modern facilities and a kitchen.
