

JK SAHA

Since joining the railway service in 1984, JK Saha has worked as a power and diesel officer, production engineer in workshops, production units, and open line carriage and wagon maintenance depots. He has also worked with the chief minister of West Bengal and the railway minister in various capacities. Currently, he works as the Principal Chief Mechanical Engineer of the South Eastern Railways. The articles "[Beyer-Garratt](#)"

and "[Iron Strength](#)" in this book are written by him.
