

*Tyr put his hand in Fenrir's jaws.*

The gods ummed and ahed until brave Tyr stepped forward. As Odin secured the ribbon, Tyr put his hand in Fenrir's jaws. Once again, the wolf strained every sinew, but no matter how hard he struggled he could not break free. Yellow eyes blazing, he clamped his teeth around Tyr's wrist and bit his hand clean off.

The triumphant gods tied Fenrir to a boulder and placed a sword in his mouth to hold it open. The wolf howled as a foamy river of drool flowed from his throat. And miserably trapped he'll remain, until he can seek his vengeance... at Ragnarök.

*Fenrir was bound by a strange ribbon-like chain.*
