

BULB MEDIUM

**Dahlia 'HS First Love'**

**SINGLE DAHLIA** An upright perennial tuber, often sold as an annual, with divided dark maroon-green foliage and, from summer to early fall, contrasting bright peach flowers with a red-ringed eye. Plant it in groups at the front of a bed. Lift to overwinter.

↑ 24in (60cm)

☀ Z8–11

BULB MEDIUM

**Dahlia 'Roxy'**

**SINGLE DAHLIA** An upright perennial tuber, with divided, dark purple-green leaves and magenta-pink flowers with yellow-edged centers from summer to fall. Pot up tubers indoors in spring, or plant directly outside after the threat of frosts. Lift to overwinter.

↑ 18in (45cm)

☀ Z8–11

PERENNIAL SMALL

**Dianthus 'Dad's Favourite'**

**GARDEN PINK** A low-growing evergreen perennial that forms a neat mound of grassy grey-green foliage. During summer, it bears fragrant, white semidouble flowers with maroon markings. Deadhead regularly to prolong the display.

↑ up to 18in (45cm) ↔ 12in (30cm)

☀ Z4–9

PERENNIAL LARGE

**Echinacea purpurea**

**CONEFLOWER** An upright, clump-forming perennial, with narrow, tapering green leaves. From mid- to late summer, it bears simple daisy-like flowers with brown, prickly centers. Best planted in drifts. 'Kim's Knee High' (above) is a compact variety.

↑ 5ft (1.5m) ↔ 18in (45cm)

☀ Z3–8 (N)

PERENNIAL SMALL

**Erigeron glaucus**

**BEACH ASTER** A compact, clump-forming perennial with slim, spoon-shaped green leaves and daisy-like yellow-centered mauve-pink flowers from late spring to midsummer. Use to edge a path or at the front of a bed. Ideal for coastal areas.

↑ 12in (30cm) ↔ 18in (45cm)

☀ Z5–8 (N)

PERENNIAL LARGE

**Eryngium giganteum**

**SEA HOLLY** An upright, short-lived perennial with marbled, heart-shaped gray-green foliage and tall stems that are topped with conelike, silvery gray summer flowers surrounded by spiny bracts. It self-seeds freely in gravel.

↑ 3ft (1m) ↔ 12in (30cm)

☀ Z4–8

PERENNIAL MEDIUM

**Erysimum 'Bowles's Mauve'**

**PERENNIAL WALLFLOWER** This is an evergreen perennial bearing narrow dark gray-green foliage and small mauve flower spikes from early spring to late fall. Deadhead regularly to prolong the display. Can be short-lived.

↑ 24in (60cm) ↔ 16in (40cm)

☀ Z6–10

ANNUAL/BIIENNIAL SMALL

**Eschscholzia californica**

**CALIFORNIA POPPY** A bushy clump-forming annual with feathery blue-green leaves and a profusion of small, bowl-shaped orange, red, and yellow flowers in summer. Sow seeds in beds in spring; it may self-seed after its first season.

↑ 12in (30cm) ↔ 6in (15cm)

☀ (N)

PERENNIAL LARGE

**Gaura lindheimeri**

**WAND FLOWER** This large upright perennial produces spoon-shaped, green leaves and pink-tinged buds that open to reveal small white flowers from midsummer to fall. 'Karalee White' (above) is a popular modern variety.

↑ 5ft (1.5m) ↔ 3ft (1m)

☀ Z5–9 (N)
