

SHRUB SMALL

Juniperus horizontalis

CREeping JUNIPER A prostrate evergreen conifer with scalelike blue-green foliage that will spread to provide ground cover. Use it as a foil for colorful bulbs and perennials. Varieties include 'Bar Harbor', with purple-tinted winter foliage.

↑20in (50cm) ↔indefinite

☀ Z3–9 (N)

PERENNIAL MEDIUM

Knautia macedonica

KNAUTIA This upright perennial has lobed, green basal leaves. In summer, it produces a succession of button-shaped crimson flowers on wiry stems. Easily grown from seed. 'Melton Pastels' (above) has pink and crimson flowers.

↑30in (75cm) ↔24in (60cm)

☀ Z5–9

PERENNIAL MEDIUM

Kniphofia triangularis

RED HOT POKER This upright perennial produces grassy green foliage and clusters of contrasting bright orange-red tubular flowers in late summer or early fall. Plant it in groups with blue- or purple-flowered plants.

↑3ft (1m) ↔18in (45cm)

☀ Z5–9

PERENNIAL LARGE

Lychnis chalcedonica

JERUSALEM CROSS This erect perennial has green basal leaves and tall stems topped with domed clusters of bright scarlet flowers in summer. Allow it to self-seed to create naturalistic groups. The stems require staking.

↑4ft (1.2m) ↔18in (45cm)

☀ Z3–8

SHRUB SMALL

Lavandula pinnata

FERNLEAF LAVENDER This compact subshrub, sometimes sold as an annual, has fernlike silver-green foliage. From summer to early fall, it produces triangular clusters of scented violet-blue flowers. Grow it in a sheltered spot.

↑↑3ft (1m)

☀ Z9–10

SHRUB SMALL

Leucophyta brownii

CUSHION BUSH A rounded evergreen shrub, often grown as an annual, with silver stems bearing scalelike, aromatic silver-gray leaves and creamy yellow buttonlike flowers in summer. Grow it alongside colorful annuals.

↑30in (75cm) ↔3ft (1m)

☀ Z9–10

PERENNIAL SMALL

Lewisia cotyledon

SISKIYOU LEWISIA A clump-forming evergreen perennial with rosettes of lobed dark green foliage and funnel-shaped flowers in shades of pink, yellow, and orange that appear from late spring to summer. Grow it at the front of a bed.

↑12in (30cm) ↔6in (15cm)

☀ pH Z6–8 (N)

BULB MEDIUM

Narcissus 'Cheerfulness'

DAFFODIL This perennial bulb bears blue-green straplike leaves. In mid-spring, small clusters of long-lasting, small, sweetly scented, white and yellow fully double blooms appear. Excellent as a cut flower.

↑16in (40cm)

☀ (I) Z3–9

BULB MEDIUM

Nerine bowdenii

SPIDER LILY This upright perennial bulb bears strap-like green leaves and, in fall, clusters of spidery pale pink flowers on long slim stems. Use it for late-season color, and plant the bulbs in groups in spring.

↑24in (60cm)
