

PERENNIAL MEDIUM

Osteospermum hybrids

AFRICAN DAISY An herbaceous evergreen perennial, grown as an annual, with slim midgreen leaves and pink, yellow, and white daisy-like summer blooms with bluish purple centers. Plant in a container of potting mix or along the edge of a path. $\uparrow$ 24in (60cm) $\leftrightarrow$ 12in (30cm)

☀ Z10–11

PERENNIAL SMALL

Pelargonium 'Lady Plymouth'

SCENTED GERANIUM A small, tender spreading perennial, often grown as an annual, with eucalyptus-scented, lobed, silver-margined green leaves and lavender-pink summer flowers. Grow in pots or raised beds. $\uparrow$ 16in (40cm) $\leftrightarrow$ 8in (20cm)

☀ ! Z10–11

SHRUB SMALL

Perovskia 'Blue Spire'

RUSSIAN SAGE This upright deciduous subshrub produces white stems of small, aromatic gray-green leaves and branched spikes of blue-purple flowers from late summer to fall. Plant it in a mixed bed or in containers of soil-based potting mix. $\uparrow$ 4ft (1.2m) $\leftrightarrow$ 3ft (1m)

☀ Z5–9

PERENNIAL MEDIUM

Phormium 'Bronze Baby'

NEW ZEALAND FLAX An upright evergreen perennial with a fountainlike mound of arching, sword-shaped purple-bronze leaves. Makes a statement in a container of soil-based potting mix or in a gravel bed. Overwinter indoors in colder areas. $\uparrow$ 24in (60cm)

☀ Z9–11

SHRUB SMALL

Pinus mugo 'Mops'

MUGO PINE This small, compact evergreen conifer produces a mound of needlelike dark green leaves. Combine it with spring bulbs or other small shrubs in a large container of soil-based potting mix. $\uparrow$ 3ft (1m) $\leftrightarrow$ 6ft (2m)

☀ Z2–7

SHRUB SMALL

Rosa Flower Carpet Series

GROUNDCOVER ROSE These spreading roses form a dense mound of glossy, green disease-resistant leaves. Semidouble cupped flowers in pink, red, yellow, peach, and white are freely produced from summer to fall. Plant them in large containers. $\uparrow$ 24in (60cm)

☀ Z5–10

SHRUB SMALL

Rosa ICEBERG

FLORIBUNDA ROSE This bush rose produces glossy green leaves and sprays of pink-tinted buds that open to reveal cupped, white fully double flowers from summer to early fall. Grow it along the boundary of a roof garden. $\uparrow$ 30in (75cm) $\leftrightarrow$ 26in (65cm) or more

☀ Z5–9

SHRUB SMALL

Rosa KENT

GROUNDCOVER ROSE A spreading rose with disease-resistant, glossy midgreen leaves and clusters of flat white semidouble flowers from summer to fall. Allow it to trail over the edge of a large container filled with soil-based potting mix. $\uparrow$ 32in (80cm) $\leftrightarrow$ 3ft (1m)

☀ Z5–9

SHRUB SMALL

Rosa SUNSET CELEBRATION

HYBRID TEA ROSE This bushy rose has disease-resistant midgreen leaves. In summer and fall, it has scented, coral-pink fully double pointed flowers that mature to rose-pink. Plant it in a large container of soil-based potting mix or a bed. $\uparrow$ 3ft (1m) $\leftrightarrow$ 32in (80cm)

☀ Z7–10

SHRUB MEDIUM

Rosmarinus officinalis

ROSEMARY This evergreen shrub produces aromatic, needlelike dark green foliage and small blue flowers in spring. Grow it in a raised bed with other culinary herbs or in a container filled with soil-based potting mix. $\uparrow$ 5ft (1.5m)

☀ Z8–10
