

PERENNIAL SMALL

Salvia greggii Navajo Series

AUTUMN SAGE This woody perennial has oval midgreen leaves with clusters of small red, purple, pink, or white flowers from late summer to fall. Plant it in groups in containers, raised beds, or beds. Protect from hard frosts.

↕↔20in (50cm)

💧 Z7-9 (N)

PERENNIAL SMALL

Sempervivum arachnoideum

COBWEB HOUSELEEK This low-growing evergreen perennial forms small rosettes of fleshy green leaves covered with fine white webbing and branching heads of reddish pink flowers in summer; it is suitable for green roofs.

↕5in (12cm) ↔4in (10cm) or more

💧 Z5-8

SHRUB SMALL

Santolina chamaecyparissus

COTTON LAVENDER A mound-forming evergreen subshrub with finely cut, aromatic silvery gray leaves and yellow pompomlike summer flowers. Use it in a raised bed, or to edge a bed or path. Trim it back after flowering to keep it neat.

↕30in (75cm) ↔3ft (1m)

💧 Z6-9

SHRUB LARGE

Sambucus racemosa 'Plumosa Aurea'

EUROPEAN RED ELDER An upright deciduous shrub with bronze leaflets that mature to golden-yellow in early summer. Scarlet fruits follow star-shaped yellow spring flowers. Grow in large pots in some shade.

↕↔10ft (3m)

💧 Z3-7

PERENNIAL MEDIUM

Sedum AUTUMN JOY

STONECROP This clump-forming perennial has oval, fleshy gray-green leaves and small, star-shaped, brick-red flattened flower heads in late summer, followed by brown seedheads that persist through winter. Plant it in a bed or raised bed.

↕24in (60cm) ↔20in (50cm)

💧 Z3-10

PERENNIAL MEDIUM

Tanacetum coccineum

PYRETHRUM An upright perennial with feathery dark green leaves and daisy-like, yellow-centered pink or red flowers in early summer. Plant it in groups in pots, raised beds, or beds. Deadhead to encourage more blooms. This plant can be short-lived.

↕24in (60cm) ↔18in (45cm) or more

💧 Z5-9

PERENNIAL SMALL

Sedum rupestre

REFLEXED STONECROP A low-growing evergreen perennial that forms mats of trailing stems bearing narrow fleshy leaves. Tiny bright yellow flowers appear in summer. Use it to trail over raised beds, in shallow containers, or on green roofs.

↕8in (20cm) ↔indefinite

💧 (I) Z5-9
