

PERENNIAL SMALL

Linum perenne

PERENNIAL FLAX A clump-forming perennial with wiry stems, narrow, lance-shaped leaves tinged blue-gray, and, from early- to midsummer, sky-blue flower clusters that close late afternoon. Cold-, heat-, and wind-tolerant; allow to self-seed.

↑ 12in (30cm) ↔ 6in (15cm)

☀ Z5–9

SHRUB MEDIUM

Lupinus arboreus

LUPINE A bushy semievergreen shrub with divided, gray-green silky-haired leaves and spires of fragrant, pealike pale yellow blooms in late spring and summer. Wind-tolerant; it will naturalize in grass or gravel in mild coastal gardens.

↑↔ 6ft (2m)

☀ ⓘ Z9–10 ⓘ N

PERENNIAL MEDIUM

Lupinus 'The Page'

LUPINE This short-lived bushy perennial forms clumps of divided dark green leaves with slender "fingers." Tall stems of pink-red pealike blooms appear in early summer. It is very cold-tolerant, but needs plenty of moisture in spring.

↑ 3ft (1m) ↔ 30in (75cm)

☀ ⓘ Z4–7

PERENNIAL MEDIUM

Lysimachia clethroides

GOOSENECK LOOSESTRIFE This upright clump-forming perennial has lance-shaped midgreen leaves and arching, tapered gray-white flower clusters from mid- to late summer. Very cold-hardy, grow it in semi-wild areas or toward the back of beds.

↑↔ 3ft (1m)

☀ Z3–8

PERENNIAL LARGE

Molinia caerulea

PURPLE MOOR GRASS This grass forms a clump of narrow, midgreen arching leaves that are richly colored in fall. Through summer and fall, slender stems bear airy purple flower heads. Ideal for coastal gardens; plant in mass. Cut back in spring.

↑ 5ft (1.5m) ↔ 16in (40cm)

☀ Z5–9

ANNUAL/BIENNIAL SMALL

Malcolmia maritima

VIRGINIAN STOCK A low-growing annual with slender branched stems of small, narrow green leaves. From spring to fall, masses of fragrant pink, white, red, or purple, blooms appear. Salt- and wind-tolerant, use to front flowerbeds.

↑ 8in (20cm) ↔ 3in (8cm)

☀

PERENNIAL MEDIUM

Malva moschata

MUSK MALLOW A bushy perennial, with woody stems deeply lobed dark green leaves and saucer-shaped pale pink blooms from summer to fall. Ideal for exposed sites. White-flowered *M. moschata* f. *alba* is a popular form.

↑ 3ft (1m) ↔ 24in (60cm)

☀ Z3–8

SHRUB LARGE

Olearia macrodonta

ARORANGI An upright evergreen shrub with glossy dark green leaves, silver felted beneath, similar to holly. Masses of small, fragrant white daisy-like flowers appear in summer. Use it as a windbreak or hedge in coastal gardens.

↑ 20ft (6m) ↔ 15ft (5m)

☀ Z9–10

PERENNIAL MEDIUM

Paeonia officinalis

PEONY This bushy perennial has divided dark green leaves and bowl-shaped flowers with pink, red, or white petals from early- to midsummer. 'Rubra Plena' (above) is a red double form. Cold-tolerant, but needs shelter from strong winds.

↑↔ 30in (75cm)
