

PERENNIAL LARGE

Rudbeckia laciniata

CUTLEAF CONEFLOWER This upright, very hardy perennial has dark green leaves and tall stems topped with daisy-like yellow flowers with a greenish yellow central cone from midsummer to fall. 'Gold Drop' (above) has double flowers.

↑6ft (2m) ↔30in (75cm)

☀ Z3–9 (N)

SHRUB SMALL

Senecio cineraria

DUSTY MILLER This bushy evergreen subshrub, usually grown as an annual, is good for mild windy coasts. It has deeply lobed silver leaves and daisy-like yellow flower heads, which are best removed in summer.

↑↔12in (30cm)

☀ Z8–11

TREE LARGE

Thuja occidentalis

AMERICAN ARBORVITAE A slow-growing, cold-tolerant conifer with orange-brown bark and flat sprays of scalelike green leaves grayish green beneath smelling of apples when crushed. Ovoid cones are yellow-green, ripening to brown.

↑50ft (15m) ↔15ft (5m)

☀ Z2–7 (N)

TREE LARGE

Taxus baccata

ENGLISH YEW This bushy evergreen conifer, variable in habit, has dark green needles and small yellow spring flowers followed by red berries. Use it as formal hedging in cold regions; it can be pruned hard if necessary. All parts are toxic.

↑50ft (15m) ↔30ft (10m)

☀ ! Z6–7

PERENNIAL MEDIUM

***Veronica austriaca*
subsp. *teucrium***

SAW-LEAVED SPEEDWELL This mound-forming perennial has oval gray-green leaves and blue summer flower spikes. The deep blue 'Crater Lake Blue' (above) is both hardy and salt-tolerant.

↑↔24in (60cm)

☀ Z4–8

PERENNIAL LARGE

Sanguisorba canadensis

CANADIAN BURNET This is an upright clump-forming perennial with divided green leaves and white bottlebrush flower heads from summer to early fall. For best effect, plant in swaths in soil that does not dry out.

↑6ft (2m) ↔24in (60cm)

☀ Z3–8 (N)

TREE SMALL

***Taxus x media* 'Hicksii'**

YEW This is an evergreen conifer with flattened, dark green needlelike leaves. In summer, it produces tiny white blooms followed by red berries on female plants. Faster growing than *T. baccata*; all parts of the plant are poisonous.

↑20ft (6m) ↔12ft (4m)

☀ ! Z5–7

PERENNIAL SMALL

Viola tricolor

JOHNNY JUMP UP An annual or short-lived perennial with oval, serrated green leaves and, from spring to fall, a succession of purple, yellow, and white petal blooms streaked with purple. A hardy self-seeder, it provides color during the colder months.

↑6in (15cm) ↔6in (15cm) or more

☀ Z3–9

PERENNIAL LARGE

Thalictrum aquilegiifolium

MEADOW RUE This upright perennial forms clumps of divided blue-green leaves and slender branched stems topped, from early to midsummer, with fluffy pale mauve-pink or white flowers. Grow in cold or coastal gardens in soil that does not dry out.

↑4ft (1.2m) ↔18in (45cm)

☀ Z5–8
