

SHRUB MEDIUM

Lonicera nitida

BOXLEAF HONEYSUCKLE A popular formal or informal hedging plant, this evergreen shrub has arching shoots and small dark green leaves. Varieties include 'Baggesen's Gold' with greenish yellow leaves. Cut it few times a year between spring and fall. $\uparrow$ 6ft (2m) $\leftrightarrow$ 10ft (3m)

☹️ ⚠️ Z7-9

SHRUB SMALL

Lonicera pileata

PRIVET HONEYSUCKLE A dense, spreading evergreen shrub grown mainly for its narrow, glossy dark green leaves. Purple berries follow the small, tubular cream flowers in late spring. It is easy to train into a low hedge; trim in late spring. $\uparrow$ 24in (60cm) $\leftrightarrow$ 8ft (2.5m)

☹️ ⚠️ Z5-9

SHRUB LARGE

Osmanthus heterophyllus

FALSE HOLLY A dense, rounded evergreen shrub with hollylike, prickly dark green foliage and tiny, fragrant white flowers in fall. 'Aureomarginatus' (above) has gold-edged leaves. Use as a low screen in a sheltered warm garden; trim in late spring. $\uparrow$ 15ft (5m)

☹️ Z7-9

BAMBOO LARGE

Phyllostachys nigra

BLACK BAMBOO This clump-forming evergreen bamboo has grooved greenish brown stems, which turn black when mature, and long narrow leaves. Grow it as a screen in part shade; cut out dead and old canes in spring. $\uparrow$ 25ft (8m) $\leftrightarrow$ indefinite

☹️ Z7-11

SHRUB LARGE

Prunus laurocerasus

CHERRY LAUREL A dense evergreen shrub with large, oval, glossy green leaves. From mid- to late spring, upright spikes of small, white single flowers appear, followed by cherry-red, later black fruits. Prune hedges hard in spring. $\uparrow$ 25ft (8m) $\leftrightarrow$ 30ft (10m)

☹️ Z6-8

SHRUB LARGE

Prunus lusitanica

LAUREL This dense evergreen shrub has reddish purple shoots and glossy dark green foliage. Fragrant, slender, frothy white flower spikes appear in early summer, followed by deep purple fruits. Prune hedges in late spring. $\uparrow$ 30ft (10m)

☹️ Z7-9

SHRUB LARGE

Pyracantha 'Mohave'

FIRETHORN This dense evergreen shrub has small green leaves and very spiny stems. Orange-red berries follow the clusters of small white summer blooms. Use it to deter intruders; prune in spring. It is resistant to scab. $\uparrow$ 12ft (4m)

☹️ Z6-9

SHRUB MEDIUM

Ribes odoratum

BUFFALO CURRANT This deciduous shrub has lobed bright green leaves that flush red and purple in fall. Clusters of spicily scented, starry golden flowers appear in spring; purple berries follow. Grow it as an informal screen; trim after flowering. $\uparrow$ 6ft (2m)

☹️ Z4-8 Ⓝ

SHRUB MEDIUM

Symphoricarpos x doorenbosii

SNOWBERRY This vigorous deciduous shrub forms a dense barrier of twiggly stems and small green leaves. It produces small white blooms in summer, followed by round white fruits in fall. Use it for informal and wildlife hedges; trim in spring. $\uparrow$ 6ft (2m) $\leftrightarrow$ indefinite

☹️ ⚠️ Z4-7

TREE LARGE

Taxus baccata

ENGLISH YEW This bushy evergreen tree produces dark green needlelike leaves and red berries in fall. It makes a superb hedge for boundaries, and is useful for dividing up a garden. Clip it in spring and summer. All parts are highly toxic. $\uparrow$ 50ft (15m) $\leftrightarrow$ 30ft (10m)

☹️ ⚠️ Z6-7

SHRUB LARGE

Viburnum prunifolium

BLACKHAW VIBURNUM A round-headed deciduous shrub with elliptical, toothed, shiny dark green leaves that turn reddish purple in fall. White flowers in late spring are followed by edible pink fruits that ripen to bluish black. Trim after flowering. $\uparrow$ 15ft (5m) $\leftrightarrow$ 12ft (4m)

☹️ Z3-9 Ⓝ
