

PERENNIAL LARGE

Phlox paniculata

GARDEN PHLOX An upright perennial, with lance-shaped green leaves and large clusters of white, pink, or lilac flowers, which create a sea of color from summer to fall in a sunny border. 'Blue Paradise' (above) has violet-blue flowers.

↑ 4ft (1.2m) ↔ 3ft (1m)

☀️ ☀️ ☀️ Z4–8 (N)

PERENNIAL MEDIUM

Rudbeckia hirta

BLACK-EYED SUSAN A short-lived upright, branching perennial, usually grown as an annual, with lance-shaped, midgreen foliage and large daisy-like, brown-centered golden flowers from summer to fall. 'Becky Mixed' (above) has dwarf yellow to orange flowers.

↑ up to 3ft (1m) ↔ 18in (45cm)

☀️ ☀️ ☀️ Z3–7 (N)

PERENNIAL MEDIUM

Salvia nemorosa

SAGE A compact upright perennial with lance-shaped wrinkled green leaves and spikes of violet-blue flowers. Weave long swaths of this plant through a bed, where it will inject color from summer to early fall.

↑ up to 30in (75cm) ↔ 24in (60cm)

☀️ ☀️ ☀️ Z4–8

PERENNIAL LARGE

Sanguisorba officinalis

GREATER BURNET This clump-forming perennial has green leaves, divided into oval leaflets, and slim stems that carry oval clusters of tiny dark red flowers from summer to early fall. Grow it toward the front of a bed.

↑ 4ft (1.2m) ↔ 24in (60cm)

☀️ ☀️ ☀️ Z4–8 (N)

PERENNIAL MEDIUM

Typha minima

DWARF CATTAIL A deciduous perennial marginal water plant with grasslike leaves. Spikes of rust-brown flowers in late summer are followed by decorative brown rounded seedheads. Confine the plant in a basket to keep it under control.

↑ 24in (60cm) ↔ 12in (30cm)

☀️ ☀️ ☀️ Z3–11

PERENNIAL MEDIUM

Sedum autumn joy

STONECROP This clump-forming perennial has oval, fleshy gray-green leaves and flat, star-shaped brick-red flowerheads in late summer, followed by brown seedheads that persist through winter. Combine with contrasting flower spikes, such as salvias.

↑ 24in (60cm) ↔ 20in (50cm)

☀️ ☀️ ☀️ Z3–10

PERENNIAL MEDIUM

Sedum telephium
Atropurpureum Group

STONECROP This perennial has domed pinkish white flower clusters from late summer to fall, and dark purple stems and leaves, which contrast with green-leaved perennials at the front of a bed.

↑ 24in (60cm) ↔ 12in (30cm)

☀️ ☀️ ☀️ Z4–9

PERENNIAL LARGE

Verbena bonariensis

PURPLETOP Vervain A tall perennial with small dark green leaves and domed clusters of scented purple flowers from midsummer to fall. Plant in groups at the front or back of a bed. Considered invasive in many parts of Southeast and some areas of West Coast.

↑ 5ft (1.5m) ↔ 24in (60cm)

☀️ ☀️ ☀️ Z7–11

PERENNIAL LARGE

Veronicastrum virginicum

CULVER'S ROOT An upright perennial with tall stems of dark green lance-shaped leaves topped with slender spikes of purple-blue, white, or pink flowers in late summer. Use it as a backdrop to rounded flowers in a sunny or part-shaded bed.

↑ 6ft (2m) ↔ 18in (45cm)

☀️ ☀️ ☀️ ☀️ Z3–8 (N)

PERENNIAL LARGE

Stipa gigantea

syn. Celtica gigantea Golden oats is a clump-forming perennial grass with green arching leaves. Tall, purple-tinted oatlike flower spikes shoot up in summer and ripen to gold in fall. The see-through flowering stems work well toward the front of a bed.

↑ 8ft (2.5m) ↔ 3ft (1m)

☀️ ☀️ ☀️ Z5–10
