

PERENNIAL MEDIUM

Hemerocallis 'Chicago Apache'

DAYLILY This perennial has strap-shaped foliage and trumpetlike deep scarlet flowers throughout summer, with each bloom lasting just one day. Plant it in groups of three in a tropical-style scheme. $\uparrow$ 26in (65cm) $\leftrightarrow$ 20in (50cm)

☀️ Z3–9

SHRUB LARGE

Hibiscus syriacus

ROSE OF SHARON An upright deciduous shrub with lobed dark green foliage and blue, violet, or white single flowers with dark centers from late summer to early fall. Considered invasive in some areas. 'Blue Bird' (above) is a blue-flowered variety. $\uparrow$ 10ft (3m) $\leftrightarrow$ 6ft (2m)

☀️ Z5–9

PERENNIAL SMALL

Hosta 'Lakeside Cha Cha'

PLANTAIN LILY A perennial with large rounded cream-edged midgreen leaves, textured with veins. Pendent, tubular lilac flower spikes appear briefly in summer; remove after fading. Provides a lush leafy understory to tall plants. Protect from slugs. $\uparrow$ 18in (45cm)

☀️ Z3–8

CLIMBER MEDIUM

Ipomoea coccinea

RED MORNING GLORY This tender annual has heart-shaped green leaves and small, fragrant, tubular scarlet flowers with yellow throats. Grow this twining climber up a tripod where it will produce color throughout summer and early fall. $\uparrow$ 10ft (3m)

☀️ ⚠️ N

PERENNIAL MEDIUM

Lobelia cardinalis

CARDINAL FLOWER A deciduous perennial with narrow lance-shaped, glossy green leaves and spires of scarlet summer blooms. Ideal for a pond margin or bog garden. It is attractive to butterflies and hummingbirds. All parts of the plant are toxic. $\uparrow$ 30in (75cm) $\leftrightarrow$ 9in (23in)

☀️ ⚠️ Z3–9 N

PERENNIAL SMALL

Lotus berthelotii

CORAL GEM The ferny gray-green foliage and clusters of orange-red beak-shaped summer flowers of this small trailing perennial, often grown as annual bedding plant, offer a decorative edge to a container display. $\uparrow$ 8in (20cm) $\leftrightarrow$ indefinite

☀️ Z10–12

SHRUB LARGE

Melianthus major

HONEYBUSH This evergreen subshrub has blue-gray leaves divided into toothed-edged leaflets and small brownish red flowers in late spring. Shelter from cold winds; provide a dry mulch in winter. Plants in pots can be overwintered inside. $\uparrow$ up to 10ft (3m)

☀️ Z8–11

CLIMBER LARGE

Passiflora caerulea

BLUE PASSION FLOWER This evergreen or semievergreen climber has lobed glossy dark green leaves. From summer to fall, orange egg-shaped fruits follow the white flowers with purple filaments. Protect from cold or grow indoors in cooler areas. $\uparrow$ 30ft (10m) or more

☀️ Z8–11

PERENNIAL LARGE

Phormium tenax

NEW ZEALAND FLAX A clump-forming evergreen perennial that produces arching, sword-shaped, gray-green leaves and, during hot summers, tall stems of dark red flowers. It lends a tropical note to a bed or pot. $\uparrow$ 10ft (3m) $\leftrightarrow$ 6ft (2m)

☀️ Z9–11

BAMBOO LARGE

Phyllostachys vivax f. *aureocaulis*

CHINESE TIMBER BAMBOO A tall upright, clump-forming bamboo with yellow canes, sometimes striped green, and lance-shaped midgreen leaves. Combine it with green foliage plants and colorful flowers. $\uparrow$ 20ft (6m) $\leftrightarrow$ 10ft (3m) or more

☀️ Z7–10
