

Plants for cottage gardens

ANNUAL/BIENNIAL LARGE

Cosmos bipinnatus

COSMOS This upright annual has feathery foliage and saucer-shaped blooms. It is easily grown from seeds and looks at home among perennial border flowers. Varieties include 'Sensation Mixed', with white, red, and pink flowers from summer to early fall. ↑up to 4ft (1.2m) ↔18in (45cm)

☀️ ☀️ (N)

BULB LARGE

Dahlia 'Franz Kafka'

POMPON DAHLIA A pompon dahlia with divided green leaves and, from midsummer to fall, mauve-pink blooms, which are excellent for cutting. It is an ideal partner for pastel-shaded perennials, such as phlox and *Sidalcea*. Stems may need staking. ↑32in (80cm)

☀️ ☀️ Z9-11

PERENNIAL LARGE

Echinops ritro

SMALL GLOBE THISTLE This upright branching perennial has prickly, divided dark green leaves and distinctive round, spiky steel-blue flower heads in late summer. Plant it mid-bed and support the stems. 'Veitch's Blue' is popular. ↑4ft (1.2m) ↔30in (75cm)

☀️ ☀️ Z3-9

PERENNIAL LARGE

Delphinium elatum

LARKSPUR This bushy perennial has deeply cut dark green basal leaves. In summer, it produces tall spikes of showy flowers in shades of blue and purple. Grow it at the back of a cottage bed. Stems need to be supported. ↑6ft (2m) ↔3ft (1m)

☀️ ☀️ Z3-7

PERENNIAL SMALL

Erigeron hybrids

FLEABANE This clump-forming perennial, ideal for coastal sites, is grown for its yellow-centered flowers in white, pink, blue, purple, or, occasionally, yellow or orange, which appear over several weeks in summer. Plant it at the front of a bed. ↑↔20in (50cm)

☀️ ☀️ Z5-8

PERENNIAL LARGE

Crocosmia x crocosmiiflora

MONTBRETIA This clump-forming bulbous perennial has long narrow leaves and yellow to red mid- to late summer blooms. Darker flower buds provide an attractive highlight. Grow it front- to mid-bed with purple-flowered plants. Can be invasive. ↑↔4ft (1.2m)

☀️ ☀️ ☀️ Z6-9

PERENNIAL SMALL

Dianthus 'Dad's Favourite'

GARDEN PINK This compact evergreen perennial forms a low mound of gray-green grasslike foliage. Throughout summer, it bears clove-scented, white semidouble flowers with maroon markings and is ideal for the front edge of a bed. ↑up to 18in (45cm) ↔12in (30cm)

☀️ ☀️ Z4-9

BULB LARGE

Dahlia Bishop Series

DAHLIA This large bulb has divided, toothed-edged, purple-black flushed leaves and orange-, red-, yellow- or lavender-centered red blooms from midsummer to early fall. Mix with hot-hued late-flowering perennials. Stake the stems. ↑↔up to 3ft (1m)

☀️ ☀️ Z9-11

PERENNIAL SMALL

Eryngium bourgatii

MEDITERRANEAN SEA HOLLY This drought-tolerant perennial has cut silver-veined leaves and, from mid- to late summer, dark silvery blue conelike flower heads, encircled by a spiny "ruff" on upright metallic blue stems. Grow with yarrow or beardtongue. ↑18in (45cm) ↔12in (30cm)

☀️ ☀️ Z5-9
