

PERENNIAL SMALL

Dicentra formosa

WESTERN BLEEDING HEART A spreading perennial with finely divided gray-green leaves and pendent, dark pink heart-shaped flowers from late spring to early summer. Grow toward the front of a bed. 'Bacchanal' (above) has dark red blooms. ↑ 18in (45cm) ↔ 12in (30cm)

 Z3-9 (N)

PERENNIAL SMALL

Epimedium grandiflorum

BISHOP'S HAT Grow this perennial with its heart-shaped green leaves, tinged bronze when young, in a shady border, where the nodding white, yellow, pink, or purple flowers will lend color in spring. 'Rose Queen' (above) has pink flowers. ↑↔ 12in (30cm)

 Z5-8

BULB MEDIUM

Erythronium californicum

FAWN LILY This clump-forming bulb has mottled dark green leaves and faintly scented, nodding creamy white spring flowers, with reflexed petals. Plant it at the front of a partly shaded border with dwarf daffodils and barrenwort. ↑ 14in (35cm)

 Z3-9 (N)

PERENNIAL LARGE

Euphorbia characias* subsp. *wulfenii

MEDITERRANEAN SPURGE This upright evergreen perennial, ideal for the back of a sunny spring border, bears linear gray-green leaves on tall stems and rounded clusters of yellow-green flowers. ↑↔ 4ft (1.2m)

 Z7-10

SHRUB LARGE

Forsythia x intermedia

BORDER FORSYTHIA One of the first shrubs to bloom, it bears a bold display of bright yellow flowers on bare stems from late winter to early spring, before the leaves emerge. Plant it at the back of a bed or as a screen, and prune after flowering. ↑↔ 10ft (3m)

 Z5-8

BULB MEDIUM

Fritillaria camschatcensis

BLACK SARANA An upright perennial bulb with dark green leaves and bell-shaped dark purple flowers opening up along upright slim stems in spring. It is ideal for a partly shaded border. Plant the bulbs in groups in fall. ↑ 24in (60cm)

 Z4-8 (N)

BULB LARGE

Fritillaria imperialis

CROWN IMPERIAL Grow this tall perennial bulb in a bed, not too close to seating, as they emit an unpleasant musk scent. The bright orange-red bell-shaped blooms, topped with a tuft of leaves, appear in late spring. ↑ 5ft (1.5m)

 Z5-8

PERENNIAL MEDIUM

Geranium maculatum

SPOTTED GERANIUM Forming a low carpet of cut green leaves, this perennial has pale pink to mauve flowers on short branching stems from spring to early summer. Ideal for cool shady corners. Deadhead after flowering to prevent self-seeding. ↑ 30in (75cm) ↔ 18in (45cm)

 Z3-8 (N)
