

BULB MEDIUM

Muscari latifolium

GRAPE HYACINTH This dwarf bulb has strap-shaped gray-green leaves and oval clusters of tiny two-tone spring flowers, dark blue at the base and pale blue on top. Plant the bulbs in fall in gritty soil to decorate the front of a spring bed.

BULB MEDIUM

Narcissus cyclamineus

CYCLAMEN-FLOWERED DAFFODIL This tiny perennial bulb, best planted at the front of a bed, has narrow green leaves and dainty, pendent yellow flowers with long slim trumpets and swept-back petals. The flowers appear in early spring.

↑8in (20cm)

☀️ 🌱 🌱 Z3–9

PERENNIAL SMALL

Helleborus x sternii

HELLEBORE This evergreen perennial bears upright branching heads of cup-shaped, purple-flushed green spring flowers with prominent stamens, lasting several weeks. Its mottled green foliage gives year-round interest. Deadhead to prevent self-seeding.

PERENNIAL MEDIUM

Mertensia virginica

VIRGINIA BLUEBELLS A compact perennial with soft blue-green leaves and clusters of nodding, blue funnel-shaped flowers in spring. The plant dies down in summer, so grow it in a bed with later-flowering perennials in front.

☀️ 🌱 Z3–8 (N)

PERENNIAL SMALL

Phlox divaricata* subsp. *laphamii

LAPHAM'S PHLOX This semievergreen perennial has small, lance-shaped green leaves and, in late spring, small pale to deep lilac blue blooms with narrow petal lobes. Use it under taller plants.

↑12in (30cm) ↕8in (20cm)

☀️ 🌱 Z4–8 (N)

PERENNIAL LARGE

Polygonatum x hybridum

SOLOMON'S SEAL An arching perennial with oval green leaves and, in late spring, clusters of small, tubular green-tipped white flowers that hang like beads from the stems. Site in dappled shade in a mixed spring bed. Often incorrectly listed as *P. multiflorum*.

PERENNIAL SMALL

***Primula* Gold-laced Group**

POLYANTHUS PRIMROSE Add drama to the front of a bed with a group of these evergreen perennials. In spring, gold-centered mahogany flowers with silver edges appear on upright stems and complement dwarf daffodils.

↑10in (25cm) ↕12in (30cm)

☀️ 🌱 Z5–8

PERENNIAL SMALL

Primula japonica

JAPANESE PRIMROSE A perennial with basal rosettes of wrinkled green leaves and, in late spring, clusters of white, pink, crimson, or red flowers held on upright stems. 'Postford White' (above) has white flowers. Plant it in groups in moist soil.
