

TREE SMALL

***Prunus* 'Shogetsu'**

JAPANESE FLOWERING CHERRY Grown for its pink double spring flowers, which fade to white, this small deciduous tree creates a focal point in a border or lawn. The bronze young foliage matures to green and turns orange and red in fall.

‡15ft (5m) ↔25ft (8m)

☀️ ⚠️ Z5–8

TREE MEDIUM

***Prunus* 'Spire'**

FLOWERING CHERRY This slim deciduous tree, perfect for growing in a small urban garden, is covered with pale pink blossom in spring. The leaves, which follow the flowers, are bronze when young, and turn red and orange in fall.

‡30ft (10m) ↔20ft (6m)

☀️ ⚠️ Z5–8

TREE SMALL

***Prunus* 'Ukon'**

syn. *Prunus serrulata* 'Grandiflora' This spreading deciduous tree, ideal for a lawn or bed, has pink-budded, pink-tipped yellowish white double flowers, which open in spring. The green foliage, bronze when young, turns reddish brown in fall.

‡25ft (8m) ↔30ft (10m)

☀️ ⚠️ Z6–8

TREE LARGE

Prunus* x *yedoensis

YOSHINO CHERRY The stems of this spreading deciduous tree are covered with almond-scented blush-white blossom in spring, when it will lend seasonal color to a small garden. The dark green leaves turn yellow in fall.

‡50ft (15m) ↔30ft (10m)

☀️ Z5–8

TREE MEDIUM

***Robinia* x *slavini* 'Hillieri'**

LOCUST This deciduous tree bears pendent chains of slightly fragrant pale pink pealike late spring flowers, which lead to knobby, brown seedpods. Its lacy foliage produces only light shade, making it a good choice for small gardens.

‡↔30ft (10m)

☀️ Z4–8

TREE LARGE

Stewartia* *pseudocamellia

JAPANESE STEWARTIA Grow this deciduous tree, prized for its large, cup-shaped white flowers, as a feature plant in a summer garden. It also has attractive flaking bark and is good for providing fall leaf color.

‡70ft (20m) ↔25ft (8m)

☀️ ☀️ ☀️ 🌿 Z5–8

TREE MEDIUM

Styrox* *japonicus

JAPANESE SNOWBELL This spreading deciduous tree makes an elegant addition to a border or lawn. In early summer, it produces pendent clusters of fragrant, bell-shaped white or pink-tinged flowers. The leaves provide good fall color.

‡30ft (10m) ↔25ft (8m)

☀️ ☀️ 🌿 Z5–8
