

BULB MEDIUM

Muscari armeniacum

GRAPE HYACINTH Plant this spring bulb with daffodils and early tulips in fall in containers of soil-based potting mix. The small, deep blue fragrant flowers, held in cone-shaped clusters, are accompanied by grassy green leaves.

†8in (20cm)

☹ ☀ ☀ ☀ Z4–8

BULB MEDIUM

Narcissus 'Canaliculatus'

DAFFODIL This bulb has slender green leaves and slim stems bearing clusters of small fragrant spring flowers, with reflexed white petals and yellow cups. Plant the bulbs in fall in containers of soil-based potting mix mixed with grit.

†9in (23cm)

☹ ☀ ☀ ☀ ☹ Z6–10

BULB MEDIUM

Narcissus 'Cheerfulness'

DAFFODIL A perennial bulb that mixes well with single-flowered yellow daffodils. The fragrant, white double flowers with yellow centers appear in mid-spring. Plant the bulbs in fall in containers of soil-based potting mix.

†16in (40cm)

☹ ☀ ☀ ☀ ☹ Z3–9

BULB MEDIUM

Narcissus 'Actaea'

DAFFODIL This late-spring-flowering perennial bulb, with its scented white flowers and shallow red-rimmed yellow cups, combines well with red tulips in large pots or half barrels. Plant the bulbs in fall.

†16in (40cm)

☹ ☀ ☀ ☀ ☹ Z3–8

BULB MEDIUM

Narcissus 'Bridal Crown'

DAFFODIL This perennial bulb bears sweetly scented, creamy white fully double blooms with yellow-speckled centers in spring. Plant in fall with spring bedding in containers filled with soil-based potting mix.

†16in (40cm)

☹ ☀ ☹ ☹ ☹ Z3–9

BULB MEDIUM

Narcissus 'Jack Snipe'

DAFFODIL Try combining this early- to mid-spring-flowering perennial bulb with grape hyacinth or primrose. It bears creamy white flowers with short bright yellow cups and narrow dark green leaves. Plant in fall in soil-based potting mix.

†9in (23cm)

☹ ☀ ☀ ☀ ☹ Z4–9

BULB MEDIUM

Narcissus 'Tahiti'

DAFFODIL This double-flowered perennial bulb will brighten up mid-spring containers with its golden-yellow blooms and narrow green leaves. Plant the bulbs in fall in containers filled with soil-based potting mix.

†18in (45cm)

☹ ☀ ☀ ☀ ☹ Z3–9

PERENNIAL MEDIUM

Polygonatum odoratum

FRAGRANT SOLOMON'S SEAL This perennial has oval to lance-shaped, midgreen leaves and, from late spring to early summer, fragrant, hanging, green-tipped white bell-shaped flowers. Plant in containers in fall for spring color.

†24in (60cm) ↔ 12in (30cm)
