PERENNIAL SMALL

Diascia barberae

TWINSBUR A mat-forming perennial, often sold as annual, with wiry stems of apricot-pink blooms from summer to fall. Use it to trail over the sides of pots and baskets. There are many varieties available. Feed and water well; deadhead regularly.

↑ 10in (25cm) ↔ 20in (50cm)

☀ Z8–9

SHRUB SMALL

Cuphea ignea

CIGAR FLOWER A subshrub, grown as an annual, with lance-shaped leaves and tubular, black-tipped scarlet flowers. It makes a decorative feature in containers of potting soil, together with upright plants, such as fuchsias and geranium.

↑ 30in (75cm) ↔ 3ft (1m)

☀ Z10–11 (N)

SHRUB SMALL

Fuchsia 'Thalia'

FUCHSIA This unusual fuchsia, with its pendent, tubular red flowers that appear from summer to fall and dark green leaves, maroon beneath, makes a beautiful centerpiece in a mixed display. Plant it in containers of soil-based potting mix.

↑ ↔ 24in (60cm)

☀ Z9–11

BULB MEDIUM

Dahlia 'Gallery Art Deco'

DECORATIVE DAHLIA With double flowers comprising burgundy-edged pale orange petals, this bulb offers a splash of color from midsummer to fall. Grow in potting soil and protect bulb from cold. Lift tubers in zones 8 and above to overwinter.

↑ 18in (45cm)

☀ Z9–11

SHRUB SMALL

Fuchsia 'Tom Thumb'

FUCHSIA A good choice for windowboxes and baskets, this dwarf, upright shrub produces pinky red and mauve-purple bell-shaped flowers throughout summer. Combine it with trailing lobelia and petunias, and plant it in potting soil.

↑ ↔ 20in (50cm)

☀ Z9–11

ANNUAL/BIENNIAL LARGE

Cosmos bipinnatus

COSMOS Large daisy-like flowers in pink, red, and white make this annual a favorite for summer patio pots. The blooms are set off by feathery green foliage. Plant it in containers of potting soil, and deadhead to prolong flowering. Can be weedy.

↑ up to 4ft (1.2m) ↔ 18in (45cm)

☀ (N)

PERENNIAL SMALL

Gazania Talent Series

TREASURE FLOWER A colorful addition to patio pots, this dwarf perennial, usually grown as an annual, bears yellow, orange, pink, or maroon daisy-like summer flowers. Plant it in containers or windowboxes with other annuals in potting mix.

↑ ↔ 10in (25cm)
