PERENNIAL SMALL

Isotoma axillaris

LAURENTIA The feathery green foliage and lilac or blue star-shaped flowers make this perennial, grown as an annual, a good choice for summer pots. Grow it singly or with fuchsias and dahlias in large containers of all-purpose potting soil.

↑↑12in (30cm)

☀ Z10–11

PERENNIAL SMALL

Lobelia erinus

TRAILING LOBELIA This tender perennial, grown as an annual, has trailing stems of dark green leaves and tiny blue-purple blooms that appear from summer to fall if kept moist at all times. Plant in baskets and windowboxes in all-purpose potting soil.

PERENNIAL SMALL

Nicotiana Domino Series

FLOWERING TOBACCO This upright annual or tender perennial with oval leaves and scented, purple, pink, red, and white rounded summer blooms. It combines well with trailing lobelia or swan river daisies in containers of all-purpose potting soil.

↑18in (45cm) ↔16in (40cm)

☀ Z10–11

ANNUAL/BIENNIAL SMALL

Nemesia 'KLM'

NEMESIA This annual forms a spreading mat of green leaves and wiry stems of small, blue and white scented flowers all summer. Ideal for windowboxes, containers, and baskets. A number of additional varieties are available.
