

PERENNIAL SMALL

***Osteospermum* hybrids**

AFRICAN DAISY Long-flowering, white, pink, or yellow daisy-like blooms, which appear above this evergreen perennial's gray-green foliage from summer to early fall, are perfect for summer containers of soil-based potting mix. Often grown as an annual.

↕ 12in (30cm)

☀ Z9–11

CLIMBER MEDIUM

Rhodochiton atrosanguineus

PURPLE BELL VINE Add height to patio displays by planting this native Mexican annual climber in a container of potting soil. It has heart-shaped leaves and dangling summer flowers with pinky red "hats" and maroon tubes. Stems need a tripod support.

↕ 10ft (3m)

☀ Z10–11 (N)

CLIMBER MEDIUM

Thunbergia alata

BLACK-EYED SUSAN VINE Grow this climber as an annual. It is ideal for large pots in a sunny spot up a trellis, which it will clothe with heart-shaped leaves and bright orange or yellow, dark-eyed flowers. Water and feed well; remove spent blooms.

↕ 10ft (3m)

☀ Z11–15

PERENNIAL MEDIUM

Rudbeckia hirta

BLACK-EYED SUSAN This perennial, usually grown as an annual, bears large, brown-centered golden daisy-like flowers from summer to fall. Varieties include 'Becky Mixed' (above). Ideal for pots; water well and deadhead regularly.

↕ 3ft (1m) ↔ 18in (45cm)

☀ Z3–7 (N)

PERENNIAL SMALL

***Verbena Novalis* Series**

VERBENA A tender perennial, grown as an annual, it is a popular container plant. It has gray-green leaves and orange, purple, pink, red, or white rounded flower heads, which appear all summer. Use to fill gaps between larger flowers in containers of potting mix.

↕ 10in (25cm)

☀ Z9–10

PERENNIAL SMALL

***Pelargonium* 'Lord Bute'**

REGAL GERANIUM An herbaceous perennial, best grown as an annual, with deep purple-red blooms all summer and rounded hairy leaves. All varieties are ideal for windowboxes and containers; plant in all-purpose potting soil.

↕ 18in (45cm) ↔ 12in (30cm)

☀ Z10–11

PERENNIAL SMALL

***Salvia splendens* Cleopatra Series**

SCARLET SAGE This perennial, grown as an annual, has short upright spikes of tubular red or purple flowers. Grow in containers of all-purpose potting soil, water and feed well, and deadhead often.

↕ 12in (30cm)

☀ Z10–11

ANNUAL/BIENNIAL SMALL

***Zinnia Thumbelina* Series**

ZINNIA Perfect for pots, this dwarf annual, has dark green leaves and semidouble flowers in shades of red, yellow, maroon, and pink blooms from summer to early fall. Grow it in containers, baskets, and windowboxes in all-purpose potting soil.

↕ 6in (15cm) ↔ 8in (21cm)

☀

ANNUAL/BIENNIAL SMALL

***Petunia* PHANTOM**

PETUNIA Dress up summer pots and baskets with this eye-catching bedding plant. It bears a mound of trumpet-shaped, almost black flowers, with a golden central star. It combines well with black-eyed Susan in containers of potting soil.

↕ 12in (30cm)

☀

PERENNIAL SMALL

Sutera cordata

BACOPA This spreading perennial, grown as an annual, is used to trail over the sides of containers, baskets, and windowboxes, and forms a curtain of small white or pale pink blooms and green leaves. It flowers all summer if watered and fed well.

↕ 4in (10cm) ↔ indefinite

☀ Z9–11
