

PERENNIAL LARGE

Salvia guaranitica

ANISE-SCENTED SAGE This tall perennial is at its best in fall when the tall stems are dotted with deep blue two-lipped flowers above midgreen leaves. Varieties include the rich blue 'Black and Blue' (above). Apply a thick mulch in winter.

↑ 5ft (1.5m) ↔ 24in (60cm)

☀️ ☀️ ☀️ Z7–10

PERENNIAL LARGE

Salvia involucrata

ROSYLEAF SAGE This tall perennial has heart-shaped leaves and is best combined with grasses and anemones at the back of a border, where its spikes of small, tubular pink flowers will bloom until mid-fall. Protect it from hard frosts.

↑ 5ft (1.5m) ↔ 3ft (1m)

☀️ ☀️ ☀️ Z8–11 (N)

PERENNIAL MEDIUM

Salvia nemorosa

SAGE A compact upright perennial that blooms until early fall, when spikes of violet-blue flowers with pink bracts accompany midgreen lance-shaped leaves. Try planting it with stonecrop, grasses, and coneflower.

↑ up to 30in (75cm) ↔ 24in (60cm)

☀️ ☀️ ☀️ Z4–8

PERENNIAL MEDIUM

Salvia patens

GENTIAN SAGE A perennial, sometimes grown as an annual, that bears upright stems of vivid blue two-lipped flowers, held above hairy green leaves from midsummer to fall. Plant it at the front of a sunny bed; deadhead regularly.

↑ 24in (60cm) ↔ 18in (45cm)

☀️ ☀️ ☀️ Z8–10 (N)

PERENNIAL MEDIUM

Schizostylis coccinea

CRIMSON FLAG The sword-shaped leaves of this perennial are joined by spikes of salmon-pink starry flowers throughout fall. Try it with blue asters and stonecrop in moist but well-drained soil, and apply a thick mulch in winter.

↑ 24in (60cm) ↔ 12in (30cm)

☀️ ☀️ ☀️ Z7–9

PERENNIAL LARGE

Thalictrum delavayi

YUNNAN MEADOW RUE This clump-forming perennial has ferny green leaves and, from late summer to fall, large airy panicles of tiny lavender blooms. Varieties include 'Hewitt's Double' (above) with dainty double flowers. Grow on moist soil.

↑ 5ft (1.5m) ↔ 24in (60cm) or more

☀️ ☀️ ☀️ Z4–7

PERENNIAL SMALL

Sedum erythrostictum
'Mediovariegatum'

STONECROP Allow this small perennial's stems of oval, fleshy cream- and green-variegated leaves and tiny, star-shaped greenish white flowers in early fall to spread across the front of a sunny bed.

↑ 12in (30cm) ↔ 24in (60cm)

☀️ ☀️ ☀️ Z3–9

PERENNIAL SMALL

Sedum spectabile

SHOWY STONECROP Ideal for the front of a sunny fall bed, this clump-forming perennial produces flat heads of rose-pink flowers followed by brown seedheads that persist over winter. The oval fleshy leaves are gray-green.

↑ ↔ 18in (45cm)

☀️ ☀️ ☀️ Z4–9

PERENNIAL MEDIUM

Solidago golden baby

GOLDENROD A reliable perennial for the back of a bed, it has flattened clusters of tiny golden flowers held on tall leafy stems in fall, and dark green lance-shaped foliage. A good choice for dry soils, try combining it with grasses.

↑ 24in (60cm) ↔ 18in (45cm)

☀️ ☀️ ☀️ Z4–8

PERENNIAL LARGE

Veronicastrum virginicum

CULVER'S ROOT Tall spires of white, blue, or pink star-shaped flowers, on top of stems bearing dark green lance-shaped foliage, make this an ideal back-of-bed plant for late summer and early fall interest. 'Album' (above) has white flowers.

↑ 4ft (1.2m) ↔ 18in (45cm)

☀️ ☀️ ☀️ Z4–8 (N)
