

BULB SMALL

Crocus vernus

DUTCH CROCUS This dwarf, spring to early-summer-flowering bulb produces small, cup-shaped lilac or purple flowers and can be naturalized in lawns, or combined with other pastel flowers in tubs or pots filled with gritty soil-based potting mix.

†5in (12cm)

☀️ Z3–8

BULB SMALL

Cyclamen coum Pewter Group

HARDY CYCLAMEN This perennial, grown from fall-planted tubers, has rounded, dark green leaves, often with silver patterning. The small pink flowers with swept-back petals appear in winter or early spring with the leaves.

†3in (8cm)

☀️ ⚠️ Z5–9

BULB LARGE

Dahlia 'Franz Kafka'

POMPOM DAHLIA Grown from spring-planted tubers, this perennial bears pink pompon flowers with a honeycomb texture above the foliage from mid- to late summer and early fall. There are many pastel-colored dahlia varieties to grow.

†32in (80cm)

☀️ Z9–11

PERENNIAL LARGE

Delphinium elatum

LARKSPUR Available in a range of pastel blues, pinks, and purples, this upright perennial adds spikes of color to a bed when its flowers appear in midsummer above deeply cut green leaves. Provide support to the stems.

†6ft (2m) ↔ 3ft (1m)

☀️ Z3–7

PERENNIAL SMALL

Diascia barberae 'Apricot Queen'

TWINSPUR Perfect for growing in pots or the front of a sunny bed, this perennial, sold as annual bedding, produces spikes of apricot-salmon flowers above heart-shaped tapering leaves from summer to fall.

†10in (25cm) ↔ 20in (50cm)

☀️ Z8–9

SHRUB SMALL

Deutzia x elegantissima 'Rosealind'

ELEGANT DEUTZIA Plant this rounded deciduous shrub where the fragrance of its blooms can be enjoyed. Pink-flushed white flowers lend scent and color to late spring and early summer beds.

†4ft (1.2m) ↔ 5ft (1.5m)

☀️ Z6–8

PERENNIAL MEDIUM

Dianthus caryophyllus

CARNATION This perennial, with gray-green leaves and tall slender stems of rounded flowers in a range of pastel shades, is suited to a cottage or rock garden. Dwarf forms, ideal for pots or the front of a border, are also available in pastel shades.

†32in (80cm) ↔ 9in (23cm)

☀️ Z6–10

BULB LARGE

Dierama pulcherrimum

ANGEL'S FISHING ROD The elegant arching stems of this summer-flowering corm bear dangling, funnel-shaped deep pink flowers, and emerge from a clump of narrow strap-shaped evergreen leaves. Use it to edge a bed with cream and purple blooms.

†5ft (1.5m) ↔ 24in (60cm)

☀️ Z8–10

SHRUB LARGE

Dipelta floribunda

ROSY DIPELTA Unassuming for much of the year, this deciduous shrub, with lance-shaped green leaves, comes to life from late spring to early summer, when clusters of creamy white funnel-shaped flowers with orange and pink throats appear.

†12ft (4m)

☀️ Z6–8

PERENNIAL LARGE

Eremurus robustus

FOXTAIL LILY This perennial produces tall slim spikes of pale pink blooms and looks most dramatic when planted in groups where the sun can bake the tubers in late summer. Add grit to the soil before planting tubers in spring; stems may need staking.

†10ft (3m) ↔ 4ft (1.2m)

☀️ Z5–8
