

PERENNIAL MEDIUM

Persicaria bistorta

BISTORT In sun or part-shade, this clump-forming perennial produces a mat of oval foliage below spikes of soft pink flowers, which bloom from early- to late summer. Plant it with purple, white, and dark pink partners in moist soil.

↑ 30in (75cm) ↔ 24in (60cm)

☀️ ☀️ ☀️ ⚠️ Z4–8

PERENNIAL SMALL

Pelargonium 'Lady Plymouth'

SCENTED GERANIUM This is a small perennial, usually grown as an annual, that produces eucalyptus-scented, lobed, silver-margined green leaves. Clusters of lavender-pink flowers appear in summer.

↑ 16in (40cm) ↔ 8in (20cm)

☀️ ☀️ ⚠️ Z10–11

PERENNIAL SMALL

Petunia 'Celebrity Series'

PETUNIA This perennial, grown as an annual, bears trumpet-shaped blooms from summer to early fall, and provides a rich source of pastels for color-themed containers and raised beds. Deadhead the flowers regularly to ensure a long display.

↑ 10in (25cm) ↔ 18in (45cm)

☀️ ☀️ ☀️ Z10–11

PERENNIAL MEDIUM

Phlomis russeliana

STICKY JERUSALEM SAGE Offering a long season of interest, this perennial has large, rough-textured heart-shaped leaves and unusual hooded, butter-yellow summer flowers, set at intervals up the tall stems. The seedheads provide winter interest.

↑ 3ft (1m) ↔ 24in (60cm) or more

☀️ ☀️ Z4–9

PERENNIAL SMALL

Penstemon 'Evelyn'

BEARDTONGUE This compact, bushy semievergreen perennial makes a colorful addition to summer beds. It has narrow foliage and, from summer to early fall, slim panicles of rose-pink tubular flowers. Protect with a dry mulch in winter.

↑↔ 18in (45cm)

☀️ ☀️ Z7–10

PERENNIAL MEDIUM

Phormium 'Evening Glow'

NEW ZEALAND FLAX With forms available in a range of pinks and purples, this leafy perennial forms fountains of evergreen foliage creating focal points in beds or containers filled with soil-based potting mix. It complements pastel-colored flowers.

↑↔ 30in (75cm)

☀️ ☀️ Z9–11

SHRUB SMALL

Phygelius aequalis

CAPE FUCHSIA This shrub bears tall stems of pendent, tubular, dusky pink or yellow summer blooms in a sunny, sheltered site. If hit by winter frosts, cut stems to the ground in spring; it should reshoot. 'Yellow Trumpet' (above) has creamy yellow blooms.

↑↔ 3ft (1m)

☀️ ☀️ Z7–9

PERENNIAL SMALL

Primula denticulata

DRUMSTICK PRIMROSE This perennial forms a rosette of toothed green leaves and from mid-spring to summer, clusters of yellow-eyed purple or white flowers. Plant at pond edges in damp soil and do not allow to dry. *P. denticulata* var. *alba* has white blooms.

↑↔ 18in (45cm)

☀️ ☀️ Z3–8

PERENNIAL SMALL

Primula vialii

ORCHID PRIMROSE Perfect for areas with damp soil, this clump-forming perennial bears unusual tapering two-tone cones of bluish purple and dark red flowers on sturdy stems in late spring. The blooms appear above a rosette of oval leaves.

↑ 24in (60cm) ↔ 12in (30cm)

☀️ ☀️ ☀️ Z5–8
