

PERENNIAL SMALL

Pulmonaria saccharata

BETHLEHEM SAGE Use this clump-forming semievergreen perennial with daffodils and Dutch irises in pastel-themed beds. Its white-spotted blue-green leaves make great edging and the funnel-shaped blue-purple spring-flower clusters attract bees.

†12in (30cm) ↔24in (60cm)

☀️ ☀️ ☀️ Z3-8

CLIMBER LARGE

Rosa 'Albertine'

CLIMBING ROSE This rambler rose's stems of dark green leaves and scented, salmon-pink fully double flowers, which appear in a single flush in summer, make a beautiful backdrop to a bed when trained on a large wall or fence, or over a pergola.

†15ft (5m)

☀️ ☀️ ☀️ Z5-9

SHRUB SMALL

Rosa 'Buff Beauty'

HYBRID MUSK ROSE A vigorous shrub with long, arching stems of glossy foliage and clusters of small, fragrant apricot-yellow and buff semidouble flowers from summer to fall, which contrast well with purples and dark pinks.

†4ft (1.2m)

☀️ ☀️ ☀️ Z5-9

CLIMBER LARGE

Rosa 'Climbing Lady Hillingdon'

CLIMBING HYBRID TEA ROSE Train this vigorous rose on a wall behind a pastel-themed bed, where its green foliage, copper-mahogany when young, and apricot summer blooms will form a colorful backdrop.

†15ft (5m)

☀️ ☀️ ☀️ Z6-9

SHRUB MEDIUM

Rosa glauca

REDLEAF ROSE The rose-pink single summer flowers with pale centers and red stems of grayish purple leaves make this rose a perfect addition to pastel-themed plantings. Use it at the back of a bed or as an informal hedge; prune in late winter.

†6ft (2m) ↔5ft (1.5m)

☀️ ☀️ ☀️ Z2-8

PERENNIAL MEDIUM

Salvia farinacea

MEALYCUP SAGE Use this upright perennial, grown as an annual, at the edge of a bed or in pots with lavender, pink, and cream blooms. Its spikes of small purple-blue flowers appear over a long period from summer to fall, if deadheaded often.

†24in (60cm) ↔12in (30cm)

☀️ ☀️ ☀️ Z8-11 (N)

PERENNIAL SMALL

Sedum erythrostictum

STONECROP This clump-forming perennial bears fleshy gray-green leaves and greenish white starry flowers in early fall. Varieties include 'Mediovariegatum' (above) with cream-splashed variegated leaves. Grow it in sun in gritty soil.

†12in (30cm) ↔24in (60cm)

☀️ ☀️ ☀️ Z3-9

SHRUB LARGE

Stachyurus praecox

STACHYURUS From late winter to early spring, the pale greenish yellow bell-shaped flowers of this deciduous shrub hang in clusters from bare stems, creating an exciting feature. Slim, dark green tapering leaves unfurl in spring.

†12ft (4m) ↔10ft (3m)

☀️ ☀️ ☀️ ☀️ Z6-8

PERENNIAL SMALL

Stokesia laevis

STOKES' ASTER Ideal for cottage or informal beds, this evergreen perennial has midgreen leaves and lavender- or purple-blue cornflower-like blooms on short stems from midsummer to mid-fall. 'Purple Parasols' (above) has violet-purple blooms.

†18in (45cm)

☀️ ☀️ ☀️ ☀️ Z5-9 (N)

Sidalcea malviflora

CHECKERBLOOM The informal style of this upright perennial lends itself to wildlife and cottage schemes. Tall stems of pink or lilac-pink funnel-shaped flowers appear above kidney-shaped basal leaves in summer.

Combine it with cranesbill and yarrow.

†3ft (1m) ↔18in (45cm)

☀️ ☀️ ☀️ ☀️ Z5-7 (N)
