

ANNUAL/BIENNIAL SMALL

Erysimum cheiri

WALLFLOWER A cottage garden favorite, this powerfully fragrant biennial, planted in fall, produces heads of bright yellow, orange, red or pink blooms in mid-spring, attracting bees and butterflies. 'Blood Red' (above) bears deep red flowers.

☀ ☀ Z3-7

SHRUB MEDIUM

Euphorbia mellifera

HONEY SPURGE This plant is a dome-shaped evergreen shrub that gives a Mediterranean effect planted in gravel. In late spring, rounded heads of honey-scented brownish flowers form at the ends of shoots.

↑6ft (2m) ↔8ft (2.5m)

☀ ☀ ☀ Z9-10

SHRUB LARGE

Hamamelis x intermedia

WITCH HAZEL This spreading shrub is grown for its shredded citrus-peel-like yellow, copper, or mahogany flowers that emerge on bare stems from early- to midwinter. 'Jelena' (above) bears copper-colored blooms.

↑↔12ft (4m)

☀ ☀ ☀ ☀ Z5-8

BULB MEDIUM

Hyacinthus orientalis

HYACINTH This early-spring-flowering perennial bulb has broad spikes of heavily fragrant, bell-shaped waxy blooms in colors including blue, purple, pink, red, orange, yellow, and white. 'City of Haarlem' (above) has pale yellow blooms.

☀ ☀ ☀ ☀ Z4-9

SHRUB LARGE

Hamamelis mollis

CHINESE WITCH HAZEL A large spreading shrub with broad leaves that turn yellow in fall, this late winter flowering shrub has spidery yellow blooms that sprout from the bare branches. Plant close to a path or drive to enjoy the scent.

↑↔12ft (4m) or more

☀ ☀ ☀ ☀ Z5-8

SHRUB SMALL

Heliotropium arborescens

HELIOTROPE This bushy evergreen shrub, grown as an annual in pots and bedding displays, has oval, dark green crinkled leaves topped by clusters of purple or white, sweet and spicy vanilla-scented blooms throughout summer.

↑↔18in (45cm)

☀ ☀ Z10-11

CLIMBER LARGE

Jasminum officinale

COMMON JASMINE This vigorous twining semievergreen climber with paired leaflets produces clusters of white flowers from summer to fall. Headily perfumed in the evening, it is a great choice for an arbor over a patio.

↑40ft (12m)

☀ ☀ ☀ Z8-10

CLIMBER MEDIUM

Lathyrus odoratus

SWEET PEA An annual tendrill climber with oval leaflets. Its richly perfumed flowers in shades of pink, blue, purple, or white bloom summer to early fall if regularly picked. Choose "old-fashioned" mixes for stronger scent.

↑10ft (3m)

☀ ☀ ☀

SHRUB SMALL

Lavandula angustifolia

ENGLISH LAVENDER This evergreen subshrub with narrow, aromatic silvery-gray leaves has short spikes of fragrant, blue-purple, pink or white flowers from mid- to late summer. Clip after blooming. 'Hidcote' (above) is a dwarf form.
