

TREE SMALL

Juniperus scopulorum

ROCKY MOUNTAIN JUNIPER The narrow forms of this evergreen conifer with scalelike leaves include 'Skyrocket' (above), with blue-gray foliage, and the steely blue 'Blue Arrow'. Both make bold columns, but don't eat up valuable space. ↑20ft (6m) ↔30in (75cm)

☀️ ☀️ ☀️ Z3-7 (N)

TREE SMALL

***Magnolia x loebneri* 'Merrill'**

LOEBNER MAGNOLIA This small bushy deciduous tree has an upright habit and oblong leaves that open after the flowers appear. The starry, goblet-shaped, many-petaled white blooms are produced in abundance in mid-spring. ↑25ft (8m) ↔22ft (7m)

☀️ ☀️ ☀️ ☀️ Z5-9

TREE SMALL

Magnolia x soulangeana

SAUCER MAGNOLIA A spreading deciduous tree, branching close to the ground, with white, pink, or purple goblet-shaped mid-to late spring flowers. It makes a lovely lawn or bed specimen with carpeting bulbs. Protect buds from late frost. ↑↔20ft (6m)

☀️ ☀️ ☀️ ☀️ Z5-9

TREE MEDIUM

Malus floribunda

JAPANESE FLOWERING CRABAPPLE This small deciduous tree, perfect for a tight space, has a rounded head with pale pink flowers that open from crimson buds in spring. Bold fall foliage follow the red and yellow edible fruits. Considered invasive. ↑↔ up to 30ft (10m)

☀️ ☀️ Z4-8

TREE MEDIUM

***Malus x moerlandsii* 'Profusion'**

FLOWERING CRABAPPLE Ideal for limited space, this tree offers a long season of interest. Purple fruits and purple-tinted leaves follow the deep pink flowers in spring. It develops bold fall foliage color. ↑↔30ft (10m)

☀️ ☀️ Z4-8

TREE SMALL

***Malus* 'Royalty'**

FLOWERING CRABAPPLE With a spreading head, this tree has dark purple foliage that turns red in fall. It gives a spectacular show in spring, when purple-red blossom smothers the branches. Small dark purple fruits form in late summer. ↑↔25ft (8m)

☀️ ☀️ Z4-8

TREE SMALL

Mespilus germanica

MEDLAR Though this tree develops a wide-spreading crown and often has a multistemmed habit, it can be trimmed to a more formal shape. The large white spring flowers are ornamental and develop into edible fruits. ↑20ft (6m) ↔25ft (8m)

☀️ ☀️ Z5-8

TREE MEDIUM

***Prunus* 'Kanzan'**

syn. *Prunus serrulata* 'Kwanzan' Sumptuous in bloom, this deciduous cherry has a vase-shaped head and pink double spring blossoms, opening just as the bronzed foliage unfurls. The green leaves turn orange in fall. Makes a good street tree. ↑↔30ft (10m)
