

TREE MEDIUM

Prunus 'Okame'

FLOWERING CHERRY This large shrub or medium-sized bushy tree is an early-spring-flowering ornamental cherry with delicate, fragrant, pink single blooms that open from reddish buds. The leaves color in fall, with fiery oranges and reds.

↑ 30ft (10m) ↔ 25ft (8m)

☀️ ⚠️ Z6–8

TREE MEDIUM

Prunus 'Spire'

FLOWERING CHERRY This columnar cherry is ideal for adding height in a small plot. In spring, pale pink blossom covers the upright branches. The new leaves are bronze-tinted, turning green in summer and changing to orange and red in fall.

↑ 30ft (10m) ↔ 20ft (6m)

☀️ ⚠️ Z5–8

TREE SMALL

Ptelea trifoliata

HOP TREE Related to a citrus plant, this is a rounded shrub or small tree with three part aromatic leaves and small, greenish white fragrant flowers opening in early summer, which are followed by papery hanging fruit clusters.

↑↔ 22ft (7m)

☀️ Z4–9 (N)

TREE SMALL

Sophora sun king

KOWHAI In cold areas, this bushy evergreen tree is best planted against a south-facing wall. Its narrow leaves are made up of small oval leaflets. In late winter, large clusters of golden-yellow bell-shaped flowers appear.

↑↔ up to 10ft (3m)

☀️ Z8–10

TREE SMALL

Rhus typhina

STAGHORN SUMAC This large suckering shrub or small spreading tree, with forked felted stems, has large, divided leaves that turn red, orange, and yellow in fall. Deep red cone-shaped fruiting heads form on female plants.

↑ 15ft (5m) ↔ 20ft (6m)

☀️ ⚠️ Z3–8 (N)

TREE SMALL

Ulmus glabra 'Camperdownii'

WYCH ELM A wide-spreading weeping deciduous tree, this grafted form has reddish green spring flowers and, later, papery seed cases, which appear among the opening leaves. The lumpy layered texture of the tree in leaf is attractive.

↑↔ 25ft (8m)

☀️ Z4–7

TREE SMALL

Salix caprea 'Pendula'

PUSSY WILLOW This small mushroom-headed tree has long trailing branches. In late winter, silver-colored catkins appear. Thin out select stems and prune away dead wood to keep the head airy. Considered invasive in some areas.

↑↔ 6ft (2m)

☀️ Z6–8
