

PERENNIAL SMALL

Hemerocallis 'Arctic Snow'

DAYLILY The straplike green leaves of this low-allergen deciduous perennial form a foil for the sturdy stems of cream blooms with yellow margins and throats. The flowers appear in succession from summer to early fall, each lasting a day.

‡22in (55cm) ↔20in (50cm)

☀️ Z3–9

PERENNIAL SMALL

Petunia PHANTOM

PETUNIA Plant this eye-catching annual in windowboxes and baskets of potting mix to decorate a low-allergen patio garden. It produces a mound of trumpet-shaped, almost black flowers, with a golden central star, and oval midgreen leaves.

‡↔12in (30cm)

☀️ Z11

CLIMBER MEDIUM

Rosa 'Aloha'

CLIMBING HYBRID TEA ROSE This rose has fragrant rose- and salmon-pink fully double flowers, which have little pollen, in summer and again in fall. The dark green foliage is disease resistant. Train the stems over an arch or on a wall.

‡8ft (2.5m)

☀️ Z5–9

BAMBOO LARGE

Phyllostachys *viridiglaucescens*

GREENWAX GOLDEN BAMBOO A clump-forming evergreen bamboo that rarely blooms. It has bright green leaves and greenish brown canes that mature to yellow-green. Cut dead and weak canes in spring.

‡25ft (8m) ↔indefinite

☀️ Z7–11

PERENNIAL LARGE

Veronica *spicata*

SPIKE SPEEDWELL This perennial bears spikes of star-shaped, blue, pink, white, or purple summer flowers that produce very little pollen, and appear above slim lance-shaped green foliage. 'Romily Purple' (above) is bushy with dark violet flowers.

‡4ft (1.2m) ↔24in (60cm)

☀️ Z3–8

PERENNIAL SMALL

Hosta 'Halcyon'

PLANTAIN LILY This compact leafy perennial provides both color and texture in low-allergen shady gardens. The long heart-shaped blue-gray leaves have a ribbed texture, and are joined briefly by tall stems of lavender-gray flowers in summer.

‡16in (40cm) ↔28in (70cm)

☀️ Z3–8

PERENNIAL LARGE

Iris sibirica

SIBERIAN IRIS Use this moisture-loving clump-forming perennial in a low-allergen garden, where it will decorate borders with its broad grasslike leaves and blue, purple, or white blooms which open from tapered buds from early- to midsummer.

‡3ft (1m) ↔24in (60cm)

☀️ Z3–8

PERENNIAL MEDIUM

Polemonium caeruleum

JACOB'S LADDER An upright clump-forming perennial with finely cut ferny foliage. Small lavender-blue flowers with orange-yellow stamens, which have a low pollen content, appear in early summer. It self-seeds freely.

‡↔24in (60cm)

☀️ Z4–8

PERENNIAL SMALL

Viola cornuta

HORNED VIOLET A dainty low-allergen evergreen perennial with toothed oval leaves and flat-faced, purplish blue, at times white, flowers from spring to late summer. Ideal for ground cover and for containers filled with soil-based potting mix.

‡8in (20cm) ↔8in (20cm) or more

☀️ Z6–9
