PERENNIAL SMALL

Geranium sanguineum

BLOODY CRANESBILL This spreading perennial forms a neat mound of deeply dissected, dark green leaves. It flowers freely in summer, bearing an abundance of round, magenta-pink blooms. Grow it in paving cracks; water during dry spells.

↑ 10in (25cm) ↔ 12in (30cm) or more

☀ Z4–8

ANNUAL/BIENNIAL SMALL

Limnanthes douglasii

POACHED-EGG FLOWER A spreading annual, easy to grow from seed, with feathery green foliage and cup-shaped, yellow-centered white flowers throughout summer. Sow seeds in the cracks in walls and paving. It may then self-seed.

↑ 6in (15cm) ↔ 4in (10cm)

SHRUB SMALL

Helianthemum 'Wisley Pink'

ROCK ROSE This vigorous, spreading evergreen shrub produces small, slim gray-green leaves. Throughout summer, saucer-shaped, orange-centered pale pink flowers are held on lax stems. It looks beautiful trailing from a wall.

↑↔ 12in (30cm) or more

☀ Z6–8

PERENNIAL SMALL

Gentiana septemfida

CRESTED GENTIAN This evergreen perennial forms trailing stems of small, oval dark green leaves and trumpet-shaped midblue flowers from summer to fall. Use it to trail from cracks in walls or spread out when planted in paving.

↑ 8in (20cm) ↔ 12in (30cm)

☀ pH Z3–8

SHRUB SMALL

Helichrysum italicum

CURRY PLANT A bushy evergreen subshrub grown for its narrow, curry-scented silvery gray leaves. Domed clusters of small, bright yellow flowers are produced on long, upright white shoots in summer. Grow it in cracks in paving.

↑ 24in (60cm) ↔ 3ft (1m)

☀ Z7–10

PERENNIAL SMALL

Geranium asphodeloides

CRANESBILL A spreading deciduous perennial with small, rounded, deeply dissected leaves and masses of starry white or light pink, magenta-veined flowers in early summer. Grow it between paving stones or flowing over walls.

↑↔ 12in (30cm)

☀ Z6–9

SHRUB SMALL

Lavandula angustifolia 'Hidcote'

ENGLISH LAVENDER A bushy evergreen subshrub with aromatic, silver-gray leaves and dense spikes of fragrant deep purple flowers from mid- to late summer. Remove a paving stone and plant it in the gap.

↑ 24in (60cm) ↔ 30in (75cm)

☀ Z5–8

PERENNIAL SMALL

Linaria alpina

ALPINE TOADFLAX A short-lived perennial, which produces trailing stems of lance-shaped, fleshy gray-green leaves and a succession of snap-dragon-like, orange-centered, purple-violet flowers in summer. Use it to decorate walls and paving.

↑ 6in (15cm) ↔ 6in (15cm)

☀ Z4–9

SHRUB SMALL

Lithodora diffusa 'Heavenly Blue'

LITHODORA This evergreen subshrub forms a carpet of small, hairy green leaves on trailing stems. Funnel-shaped, deep blue flowers appear all summer. Grow in walls or paving cracks; trim stems after flowering.

↑ 12in (30cm) ↔ 18in (45cm)
