

ANNUAL SMALL

Begonia Cocktail Series

WAX BEGONIA This small bushy annual produces rounded bronze-green leaves and flowers in shades of pink, red, or white from summer to fall. Use it to edge pots, windowboxes, and baskets; plant in all-purpose potting soil.

↕ 12in (30cm)

PERENNIAL SMALL

Begonia sutherlandii

SUTHERLAND'S BEGONIA This tuberous perennial forms trailing stems, lobed green leaves, and clusters of single orange flowers in summer. In late fall, leaves and stems die back prior to winter dormancy. Treat as an annual or lift and protect tubers.

↕ 32in (80cm) ↔ indefinite

💧 Z8–10

PERENNIAL SMALL

Bellis perennis

ENGLISH DAISY A mound-forming perennial, often grown as an annual, with oval midgreen leaves and pompom-shaped pink, white, or red spring flowers. Plant it with spring bulbs in pots, baskets, and windowboxes in all-purpose potting soil.

↕ 8in (20cm)

💧 Z4–8

ANNUAL/BIENNIAL SMALL

Brachyscome iberidifolia

SWAN RIVER DAISY This is a bushy annual with feathery green leaves and daisy-like blue, pink, purple, or white flowers that appear from summer to early fall. Perfect for baskets and containers; plant it in all-purpose potting soil.

↕ 10in (25cm) ↔ 18in (45cm)

SHRUB SMALL

Buxus sempervirens 'Suffruticosa'

COMMON BOXWOOD An evergreen shrub that forms a dense mass of oval bright green leaves. Plant it in a large container filled with soil-based potting mix, and clip to form decorative topiary shapes.

↕ 3ft (1m) ↔ 5ft (1.5m)

💧 ⓘ Z6–8

ANNUAL/BIENNIAL MEDIUM

Calendula officinalis

POT MARIGOLD This bushy annual bears lance-shaped, aromatic pale green leaves and, from spring to fall, daisy-like single or double flowers in yellow and orange. Grow it in windowboxes or containers in all-purpose potting soil.

↕ 24in (60cm)

PERENNIAL SMALL

Calibrachoa Million Bells Series

MILLION BELLS A semitrailing perennial, grown as an annual, with slender dark green leaves and, from summer to early fall, colorful trumpet-shaped blooms. Trail from windowboxes, containers, and baskets.

↕ 12in (30cm) ↔ 3ft (1m)

💧 Z9–11

ANNUAL/BIENNIAL MEDIUM

Callistephus chinensis

CHINA ASTER This bushy annual has oval, lobed green leaves and, from late summer to fall, produces flowers in shades of pink, purple, white, and yellow. The Pom Pom Series (above) produces small rounded flowers.

↕ 24in (60cm) ↔ 18in (45cm)

PERENNIAL LARGE

Canna 'Pretoria'

syn. Canna 'Striata' This upright perennial is grown for its green- and yellow-striped foliage, and bright orange flowers, which appear from midsummer to early fall. Grow in soil-based potting mix; water well. In cool zones, dig and overwinter the rhizomes.

↕ 5ft (1.5m) ↔ 20in (50cm)

💧 Z8–11

PERENNIAL SMALL

Carex comans

NEW ZEALAND HAIR SEDGE An evergreen perennial sedge with dense tufts of fine, grassy bronze-colored leaves. In summer, it also bears small brown flower spikes. Grow it in a container of soil-based potting mix. Remove dead growth in spring.

↕ 14in (35cm) ↔ 30in (75cm)

💧 Z7–9
