

Plants for patios, balconies, and windowsills

PERENNIAL SMALL

Gazania Talent Series

TREASURE FLOWER A dwarf perennial, grown as an annual, with narrow, gray-felted leaves and daisy-like yellow, orange, pink, or maroon summer flowers. Plant in containers or windowboxes in potting soil. Varieties include 'Talent Yellow' (above).

↑↔10in (25cm)

☹ Z8–10

PERENNIAL SMALL

Gerbera hybrids

TRANSVAAL DAISY A perennial, grown as an annual, with oval, lobed green leaves and tall stems of daisy-like black-eyed flowers, which appear from summer to fall in nearly every color. Plant in containers of potting soil; protect from frost.

↑↔16in (40cm)

☹ Z8–11

SHRUB SMALL

Hebe 'Red Edge'

HEBE A small evergreen shrub that bears oval blue-green leaves with red margins and clusters of pale mauve to white flowers in summer. Plant it in a container of soil-based potting mix, and place in a sheltered site. Trim after flowering to keep compact.

↑18in (45cm) ↔24in (60cm)

☹ Z9–10

ANNUAL/BIENNIAL MEDIUM

Helianthus debilis

SUNFLOWER This erect annual produces slim midgreen leaves and large, chocolate-centered creamy white summer flowers. Grow it in groups in a large container of potting soil in a sheltered site. Stake the tall flower stems.

↑4ft (1.2m) ↔24in (60cm)

☹ (N)

SHRUB SMALL

Helichrysum italicum

CURRY PLANT A bushy evergreen subshrub grown for its slender, curry-scented silvery gray leaves. It bears domed clusters of small bright yellow flowers on long upright shoots in summer. Grow it in containers of soil-based potting mix and grit.

↑24in (60cm) ↔3ft (1m)

☹ Z7–10

PERENNIAL SMALL

Heuchera 'Amber Waves'

CORAL BELLS An evergreen perennial with lobed, ruffled orange-yellow leaves that are pale burgundy underneath and sprays of small, bell-shaped pink summer flowers. Plant in soil-based potting mix. Use it to edge pots, windowboxes, and baskets.

↑12in (30cm) ↔20in (50cm)

☹ Z4–9

PERENNIAL SMALL

Ipomoea batatas 'Blackie'

SWEET POTATO VINE This trailing evergreen perennial, often grown as an annual, produces lobed, ivy-shaped, almost black, leaves. A beautiful edging plant for tropical-style arrangements, grow it in a tall container of potting soil.

↑10in (25cm) ↔24in (60cm)

☹ Z9–11

ANNUAL/BIENNIAL SMALL

Ismelia carinata

PAINTED DAISY This is a small, erect branching annual with feathery gray-green leaves. From summer to fall, it produces daisy-like, brown-eyed flowers in shades of red, yellow, white, or purple.

↑24in (60cm) ↔12in (30cm)

☹

PERENNIAL SMALL

Isotoma axillaris

LAURENTIA This mound-forming perennial, grown as an annual, has feathery green foliage and masses of star-shaped lilac or blue flowers from summer to early fall. Grow it with other annuals in containers of potting soil.

↑↔12in (30cm)

☹ Z10–11

CLIMBER MEDIUM

Lathyrus odoratus

SWEET PEA This annual climber produces oval green leaves and scented white, pink, purple, and red summer flowers. 'Knee High' (above) is a dwarf form suitable for hanging baskets or pots with a tripod support. Grows best in cool environment.

↑10ft (3m)
