☹ ⚠ Z3-7

ANNUAL SMALL

Nemesia caerulea

NEMESIA A compact, mat-forming annual with narrow dark green leaves and fragrant blue-mauve flowers from summer to early fall. Use it to edge containers, windowboxes, and hanging baskets; plant in all-purpose potting soil.

↑↔ 12in (30cm)

☹ Z9-10

ANNUAL SMALL

Nemesia 'KLM'

NEMESIA This mat-forming compact annual has narrow green leaves and bears small blue and white flowers throughout summer. Useful for edging containers, windowboxes, and baskets; plant in all-purpose potting soil.

↑ 12in (30cm) ↔ 6in (16cm)

☹

ANNUAL/BIENNIAL SMALL

Nemophila menziesii

BABY BLUE-EYES An easy-to-grow spreading annual with serrated gray-green leaves. Small, saucer-shaped blue flowers with white centers appear in summer. Grow it in pots, windowboxes, and baskets in all-purpose potting soil.

↑ 8in (20cm) ↔ 6in (15cm)

☹

PERENNIAL MEDIUM

Nicotiana glauca

FLOWERING TOBACCO An upright perennial, grown as an annual, with oval midgreen leaves. Clusters of trumpet-shaped white, pink, or green flowers, which are fragrant at night, appear from summer to early fall. Plant it in containers of potting soil.

↑ 30in (75cm) ↔ 12in (30cm)

☹ ⚠ Z10-11

PERENNIAL MEDIUM

Osteospermum hybrids

AFRICAN DAISY An clump-forming evergreen perennial, grown as an annual, with narrow gray-green leaves and pink, white, and yellow daisy-like flowers from summer to early fall. Plant in containers filled with all-purpose potting soil.

↑ 24in (60cm) ↔ 12in (30cm)

☹ Z10-11

PERENNIAL SMALL

Pelargonium 'Lord Bute'

REGAL GERANIUM An upright herbaceous, evergreen perennial, often grown as an annual. It has rounded hairy leaves and produces deep purple-red ruffled flowers throughout summer. Plant in all-purpose potting soil in containers and windowboxes.

↑ 18in (45cm) ↔ 12in (30cm)

☹ ⚠ Z10-11

PERENNIAL SMALL

Pelargonium Mini Cascade Series

IVY GERANIUM An evergreen perennial, grown as an annual, with ivy-shaped, glossy green foliage. Red or lilac blooms appear from summer to fall. Ideal for a hanging basket, pot, or windowbox.

↑↔ 18in (45cm)

☹ ⚠ Z10-11

PERENNIAL SMALL

Pelargonium Multibloom Series

ZONAL GERANIUM These erect, bushy evergreen perennials, grown as annuals, have rounded leaves and white, red, pink, and purple flowers from summer to fall. Grow in containers or baskets in potting soil.

↑↔ 12in (30cm)

☹ ⚠ Z10-11

PERENNIAL SMALL

Petunia Prism Series

PETUNIA A spreading perennial, grown as an annual, with dark green leaves and large, trumpet-shaped yellow flowers from summer to early fall. Grow in baskets, containers, and windowboxes in potting soil. 'Prism Sunshine' (above) is popular.

↑ 14in (35cm) ↔ 20in (50cm)
