

PERENNIAL MEDIUM

Phormium 'Bronze Baby'

NEW ZEALAND FLAX An upright evergreen perennial, grown for its fountain of arching, sword-shaped purple-bronze leaves. Use it to make a statement in a large container of soil-based potting mix. Overwinter indoors in cooler areas.

↑↔ 24in (60cm)

☀ Z9–11

SHRUB SMALL

Pinus mugo 'Mops'

MUGO PINE This compact evergreen conifer forms a neat mound of dense, needlelike dark green leaves, providing year-round interest. Plant it in a large container of soil-based potting mix, underplanted with small bulbs.

↑ 3ft (1m) ↔ 6ft (2m)

☀ Z2–7

CLIMBER MEDIUM

Rhodochiton atrosanguineus

PURPLE BELL VINE This deciduous, native Mexican perennial climber, grown as an annual, has heart-shaped midgreen foliage and dangling umbrella-shaped blooms with pinky red hats and dark maroon tubes from late spring to late fall.

↑ 10ft (3m)

☀ Z10–11 (N)

PERENNIAL MEDIUM

Rehmannia elata

CHINESE FOXGLOVE An erect perennial, with slim, toothed-edged green leaves and foxglove-like, yellow-throated rose-purple flowers in summer. Plant it in a sheltered site in cooler areas in a large container of soil-based potting mix. Protect from frost.

↑ 3ft (1m) ↔ 18in (45cm)

☀ Z9–10

SHRUB MEDIUM

Rhododendron yakushimanum

YAKUSHIMA RHODODENDRON A dome-shaped evergreen shrub with dark green leaves, silvery when young, and funnel-shaped pink late spring flowers. Grow in acidic potting soil, shaded from full sun.

↑↔ 6ft (2m)

☀ pH (I) Z5–8

SHRUB SMALL

Picea abies 'Ohlendorffii'

NORWAY SPRUCE A slow-growing, bushy conifer with tightly packed green needles. It develops a rounded shape as it matures. Considered invasive in some areas. Plant in large containers of soil-based potting mix for evergreen interest; water well.

↑↔ 3ft (1m)

☀ Z3–7

PERENNIAL SMALL

Rhodanthemum hosmariense

MOROCCAN DAISY A small, shrubby evergreen perennial with silvery green leaves and white daisy-like flowers from late spring to early fall. Grow it in soil-based potting mix, with added grit, in a sheltered area. Deadhead regularly.

↑ 6in (15cm) or more ↔ 12in (30cm)

☀ Z8–11

SHRUB MEDIUM

Pieris japonica

LILY OF THE VALLEY BUSH An evergreen shrub with leathery green leaves, bright red when young, and clusters of white, red, or pink urn-shaped spring flowers. Grow in a pot of acidic plant soil. 'Fleming' (above) has dark red buds that open to a deep pink.

↑ up to 6ft (2m) in a pot ↔ 5ft (1.5m)

☀ pH Z5–8

SHRUB MEDIUM

Rosa GERTRUDE JEKYL

ENGLISH SHRUB ROSE An upright shrub rose, it has disease-resistant grayish green leaves. It produces highly fragrant, rose-pink fully double flowers that bloom throughout summer. Grow it in a large container or tub of soil-based potting mix.

↑ 6ft (2m) ↔ 4ft (1.2m)

☀ Z5–9
