

HOW TO SEND DIRECT MAIL

1

**Acquire names**

Buy in mailing lists or trade with other companies.

2

**Prepare direct-mail copy**

Write offer/response instructions; include prepaid envelope.

3

**Send letters or emails**

Send mail (staggered dispatch controls flow of response).

4

**Work out response rate**

Calculate responses as percentage of mail sent out.

5

**Evaluate effectiveness**

Assess performance of campaign compared to others.
