

**90%**  
of FTSE 50 companies  
had adopted a matrix  
structure by 2013

### NEED TO KNOW

- **Project management professional (PMP®)**  
Qualification for project managers offered by global Project Management Institute
- **Matrix guardian** Senior professional appointed to oversee the matrix and make sure it works efficiently
- **Mature matrix** Matrix structure in which functional and divisional bosses have equal power

### MATRIX: PROS AND CONS

#### Pros

- Faster decision-making
- Potential for improved productivity
- Flexible use of staff

#### Cons

- Expensive to set up and run
- Possible confusion as to the reporting line
- More potential for interpersonal conflict as team goals may conflict
