

▲ **French tarot**

These illustrations of La Papesse (The Lady Pope) and L' Impératrice (The Empress) are from Antoine Court de Gébelin's *Le Monde primitif*, a text that made the case for tarot as a divination tool.

“Each person stops playing [their cards] and comes to see this marvellous Card wherein I perceive what they have never seen.”

ANTOINE COURT DE GEBELIN, *LE MONDE PRIMITIF*, 1781
