

KEY

1 Stacked lines are used for cleromancy.

2 The northwest sector governs spring and helpful people.

3 North is at the bottom (the four compass points are shown upside down from a Western perspective).

◀ ***Feng shui* and astrology**
This *bagua* (eight symbols) or *feng shui* energy map is divided into sectors according to the cardinal directions, with south at the top. Each sector governs a season, an element, and an aspect of life such as health, wealth, or family.

"A man without constancy cannot be a diviner either with the tortoise shell or the stalks."

CONFUCIUS IN *LIJI*, C. 5TH CENTURY BCE
